Merrill Lynch + MOCA
Los Angeles Confidential and Merrill Lynch Wealth Management celebrated the Photography and Drawings committee members of The Museum of Contemporary Art, Los Angeles with an intimate cocktail party and dinner at a private residence in Mandeville Canyon. Guests sipped Tallarico Vodka cocktails and noshed on asparagus wrapped with prosciutto and herb-marinated grilled shrimp before a buffet-style dinner in the stunning backyard garden. The cultured crowd also mingled with artists and curators in between viewing pieces from a local private art collection.
